MEMORANDUM FOR

STAT

FROM:

ROBERT M. KIMMITT *Boh*

SUBJECT:

CIA Response to Justice Draft Legislation
regarding Terrorism

The NSC Staff interposes no objections to the CIA comments on the draft Department of Justice counter-terrorism legislation. Please note, however, that the significant number of changes proposed by various agencies concerning the omnibus DOJ draft will create considerable delay in finalizing and enacting effective counter-terrorism legislation. We, therefore, continue to believe that the best approach would be to proceed with separate, streamlined legislative proposals.
